THE GRAND KNIGHT

The month of July has been somewhat of a slow down in activities that our council participated in compared to what we had been involved in during the month of June. During June it seemed like there was no let up of our activities. During the month of June various members of the council were not only involved in the Church Annual Fiesta, setting up, taking down and handling the electrical problems during the Fiesta, staffing the Sausage Booth, the Philly Cheese Booth as well as other booths and cleaning up these booths after that event. But we participated in many other activities such as electrical set up and take down and staffing the beer and wine booths for the churches 50th Anniversary Party. We participated in Adoration in the church, H.O.P.E. food bagging and the handing out of food for the needy, and being altar servers for funeral services during the month. A few of our brothers were busy repairing facilities and other items around the church. This does not take into account the hours spent attending various meeting during the month. Some of the June meetings we participated in were Fiesta Meetings, 50th Anniversary Meetings, Council Officer Meeting, Council Business Meeting, 4th Degree Meeting, Church Facility Scheduling Meeting, and these were just some of the meetings we as brother Knights were involved in.

Although July was not as busy as June, we were still involved in many activities as we are each and every month. I again would like to thank all of you that gave up some of your time and got involved with our various activities. If you are not very involved and you have some time, we as Council Officers, Directors and Chairman would like to invite you to be involved with us. The more members involved the easier it is for each of us to carry out these events.

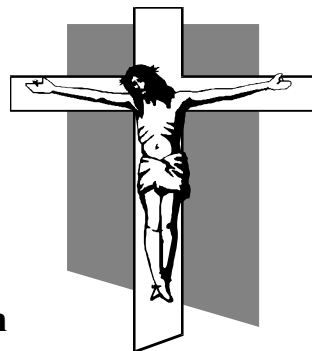

Thank You & God Bless
William (Bill) Serb

COUNCIL CHAPLAIN'S CORNER

You Are The Salt Of The Earth

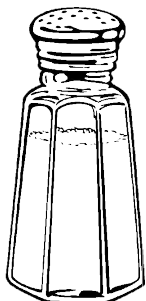

Matthew 5:13 You are the salt of the earth; but if the salt loses its flavor, it is then good for nothing.

If we are called to be the salt of the earth what exactly does that mean? In Jesus day salt had many uses, here are just a few. (1) It preserved food. Without salt their meat and fish would quickly spoil. We are called as Christians to keep Gods moral standards, which will help, slow the decay of our society. (2) Salt brings out the flavor of food. We are called to help those around us savor Gods word so that they might taste life fully as God had wanted them to.

We are warned however that “*salt can lose its flavor, and then be good for nothing.*” In Jesus day farmers would dig salt from the Dead Sea. Although it looked like salt it was actually a mixture of things. The farmers would pile it in their fields and if the rains came the salt would drain away and what was left looked like salt but it had lost its salty taste, rendering it useless for preserving food or bringing out flavor in cooking.

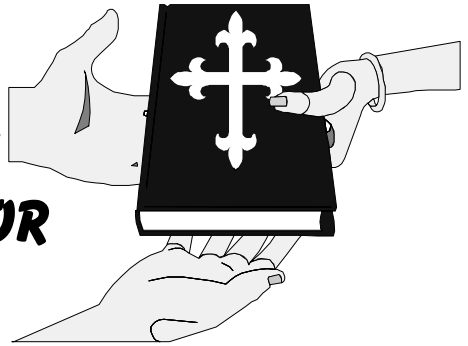

Salt can also make you thirsty and if you heed the words in *Matthew 5:13* you can become “*the salt of the earth*” that Jesus is talking about. You can make others thirsty for Jesus who is the Water of Life.

A MESSAGE FROM YOUR.....

DEPUTY GRAND KNIGHT & PROGRAM DIRECTOR

Brother Knights:

Summer is in full swing! I hope this letter find you and your family well. As I take the reins of Deputy Grand Knight, I'd like to thank Lloyd for his dedication and leadership. I hope to continue the great work that Lloyd has done.

Please take out your calendars and put these dates on your schedule:

<u>What</u>	<u>Where</u>	<u>When</u>	<u>Time</u>
Officers Meeting	Conference Room	August 3, 2011	7:00 PM
Business Meeting	Ed Building	August 10, 2011	7:30 PM

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

There are still some of our members who have not paid their 2010/2011 membership dues. A Knight Alert letter has been sent to those who have not paid. Several members have responded by sending in their dues payments. The Retention committee has been contacting you for status. If payment is not received by September 1, 2011, you will be placed in the "Intent to Suspend" status, and another letter will be mailed. If, after 30 days from that notification, payment is still not received, you will be suspended from the Knights of Columbus for non-payment. We would hate to lose you. If you are having financial hardships and are not able to pay this, please contact the retention chairman, Louie Chavez, and we will make arrangements to support you in any way we can.

I have council badges for all of the new members that have joined our ranks in the past few months. Please see me at the August business meeting to obtain yours.

I just want to remind everyone that we have several events planned for this year and we need all of you to help out when you can.

I hope to see all of you at the monthly business meetings.

Competing Rights

Politically speaking, abortion is an issue that involves competing rights. On one hand, you have the mother's right to be pregnant. On the other hand, you have the baby's right not to be killed. The question that must be answered is this. Which right is more fundamental? Which right has a greater claim? Abortion advocates argue that outlawing abortion would, in essence, elevate the rights of the unborn over and above those of the mother. "How can you make a fetus more important than a grown woman?" they might ask. In reality, outlawing abortion wouldn't be giving unborn children more rights; it would simply gain for them the one most fundamental right that no one can live without, the right to life.

If a baby is not to be aborted, then the pregnant mother must remain pregnant. This will also require of her sickness, fatigue, reduced mobility, an enlarged body, and a new wardrobe. Fortunately, it is not a permanent condition. On the flip side, for a pregnant woman not to be pregnant, her child must be killed (unless she is past her 21st week of pregnancy, in which case the baby may well survive outside the womb.) Abortion costs the unborn child his or her very life and it is a thoroughly permanent condition. This is what's at stake, both for the child and for the mother. It is not an issue of who is more important, but rather who has more on the line.

Any time the rights of two people stand in opposition to each other, the government must protect the more fundamental right. Let's consider crosswalks. A car is driving down the street while a person is crossing the street. The law requires the driver of that car to slow down and stop (giving up their rights to drive where they want, when they want and at what speed they want) so that the pedestrian may cross the street in front of him. Why must the driver temporally give up his right to drive down the street just because someone else is walking across the street? Why is the right of the man on foot upheld while the right of the man in the car is denied? It is not because the pedestrian is more valuable than the driver but rather because, if the driver doesn't stop, the pedestrian will likely be killed. In order for the driver to proceed down the street at full speed, at that moment it will cost the pedestrian his life. In order for the pedestrian to finish crossing the street, at that moment, it will cost the driver a few minutes of drive time.

Obviously, for a woman to remain pregnant, she gives up far more than a few minutes of drive time, but she gives up far less than the baby who would otherwise be killed. This is what it all comes down to. Abortion permanently takes away the life of the unborn. Pregnancy temporally takes away some of the freedoms of the mother. Since there is far more at stake for the child, the more fundamental right to life must be upheld.

Ton Nagle PGK

MEMBERSHIP DIRECTOR

Dear Brothers,

This article is one of the hardest for me to write, because I lost a very personal friend, our Supreme Secretary, Emilio Moure. He was one of the persons that was instrumental in telling the Supreme Knight, that he should appoint me to Hispanic Development for Supreme. He was truly a dear friend to my wife and I. We use to see them just about every time we went to the Supreme Office in New Haven and he always invited us to his home but due to my schedule we never did. Some of you don't know, but he was one of our councils District Deputy's, please keep Emilio and his family in your prayers.

In June three Brothers from our council took their 3rd degree in Dana Point and congratulations to James Bowler, Horacio Castor, and Ralph Rodriguez. Our council had its first new member for this new Columbian year, and his name is Mark T. Sack the son of Ted Sack PGK, who took his 1st degree July 18. Mark is taking care of his Mother and Father who has been through a lot health wise, so keep them in your prayers. Congratulations too Brothers, Leo Cianciosi, Lloyd Ferry, Leo Gines, and George Limar, who took their 2nd Degree on July 24th at Fr. Kass Council in Buena Park. At our meeting the District Deputy mentioned that the next 3rd degree would be September 1st, well he notified me that the date was wrong and it will be September 11th in Santa Ana. The place and time has yet to be determined. I do not have the new ceremonial calendar as of this writing.

Several Brothers have asked about information about joining the 4th degree, well I will have all that information at the next meeting. We meet with the Master of the 4th degree the 31st of July. Now it would be an honor to take your 4th if eligible, because Father Patrick Moses will be taking his 4th degree along with you. It will be held Saturday October 8th at the Irving Marriott, and while your taking the degree the ladies will have lunch with the Masters wife. This is a formal affair in which you will wear a tuxedo just about all day long. You can see me about the form needed to join the 4th degree. I will be filling in for the District Deputy when he can't make the meetings, because I am the District Warden. Have you asked a candidate to join our order?

Fraternally

RECRUITMENT CHAIRMAN

Happy summertime everyone! Hope your all enjoying our warm/hot weather out there. I think we are going to have an unusually warm summer this year.

We need more Fourth Degree member's to attend those meetings. The average attendance is twenty or thirty Knights. There is a lot of good information given at these meetings and you miss a lot if you're not part of the exchange.

Third Degree meeting's generally do a little better as far as attendance goes. We should all try and attend as many meetings as possible, be it the Third or Fourth Degree meetings. The Knights of Columbus does a lot of good for members and our local church as well as the community. Try to attend the meetings. You will be blessed.

I hope everyone who can will make the Adoration every month on the 13th.

Welcome to all of our new members. Everyone pitch in and let's work to keep this council going.

As always the best to all and God Bless

Your Recruitment Chairman

Summer

Have you ever heard the expression “lazy days of summer?” While the hot weather may encourage a slower paced life, in many ways summer can be the busiest time of the year. Especially for parents with school-aged children. And being busy, it’s easy to forget about such things as reviewing your life insurance coverage.

The purpose of this column is to encourage you to meet with me before the end of the summer. Whether or not you have life insurance with the Order, I’ll be happy to meet with you and make sure your coverage continues to meet your needs and goals. If you’ve had any life changes since you last bought a policy (new home, new child, new job, etc.), chances are your life insurance needs to be updated. I’ll work with you to make sure you have the coverage you need at a price you can afford.

Call me to set up an appointment. When we meet, you’ll discover that time spent with your Knights of Columbus agent is time well-spent. But, make the call today. Because summer is not only busy, it’s also coming to an end.
