THE GRAND KNIGHT

Brother Knights:

I hope this letter finds all of well.

Rolly Arenz and I attended the State Convention in Santa Clara this past weekend. It was a good time, but I prefer the San Diego venue better. There was a lot to do and discuss. Although we didn't get any awards this convention, we will surely attempt to next year. The new state warden, Steve Bolton, was elected by a large margin. He has done a great deal of work for the Intellectually Disabled in the southern California areas, we wish him all the best.

Bishop Oscar Solis (Auxiliary Bishop of Los Angeles Diocese) has become our new State Chaplin. He spoke very highly of the Knights of Columbus and the work that we do.

Thanks to all of you that come to our business meetings early to say the Divine Mercy. I would like to see all attend. It starts at 7pm sharp, so we can still have time to catch up with fellow Knights before the meeting.

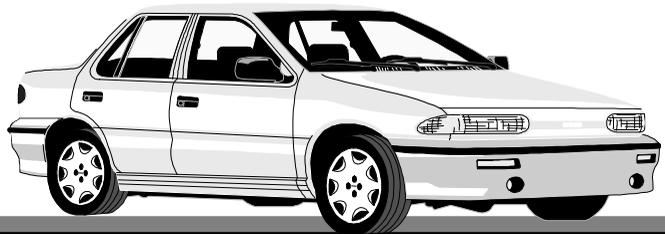

And what a great showing we had at the First Degree, ten new members, that's a WOW. Great job to all of you that helped bring in the new members and especially Walt Munoz for all the work he did to make it happen!

We will have a family night on June 4th in the hall to welcome the new members in. This will be a good time to come and have a great meal and meet the new Knights.

God Bless

Virgil Smith GK

COUNCIL CHAPLAIN'S CORNER

A Father's Day Prayer

We have different days throughout the year that we can convey our heartfelt feelings for our loved ones. A day dedicated to that very special someone. This month it's Father's Day. We are given the opportunity to exhibit our love to our Fathers. He holds an important place in our hearts whether he is still with us or has gone on to eternity. We should always remember to be thankful for all he has given us.

We have a heavenly Father as well and both should be honored every day. I read a poem that was originally written only as a Father's Day poem for Dad. But as I read it I thought "what a beautiful prayer." Karl Fuchs wrote it.

I love you Father and want you to know
I feel your love wherever I go.
When I have a problem your there to assist
The ways you have helped would make quite a list.
Your wisdom and knowledge have shown me the way
And I'm thankful to you as I live day by day
I don't tell you enough how important you are.
In my universe you're my bright shining star.

The best fathers not only give us life, they teach us how to live it.

**Happy
Father's
Day**

A Message From Your Council.....Recorder & Respect Life, Justice & Peace Chairman

Marriage

On June 26, 2015 the U.S. Supreme Court declared same sex "marriage" a legal marriage. According to Trent Horn, Catholic Apologist, marriage is what comprehensively and completely unites men and women to one another and to any children they might procreate. Please bear with me as we reflect on words of Horn from a CD from Lighthouse Catholic Media entitled "HOW TO TALK ABOUT Same Sex Marriage." Brother Ken Peterson PGK and his wife Kay shared this CD with me. The Church says a same sex union could never be a marriage in the first place, according to Horn. He says marriage is a conjugal union, not a relational union.

The five essential elements to marriage are best explained in the conjugal view of marriage. First, civil marriage is an official registered government union. Second, marriage is ideally a lifelong union. Third, marriage is a union between two people. Fourth, marriage is a sexual union. Fifth, marriage is an exclusive union.

The conjugal view is that there is no other relationship like it, because a man and a woman completely give themselves to one another in mind and body. The two incomplete on their own become one flesh ordered toward the common good that the government has an interest in. That good is procreation, which produces its future citizens.

The relational view cannot explain why marriage is between only two people. Why not add more people to the marriage in a relational view? The more the merrier. The conjugal view says that marriage is the complete union of man and woman in one flesh, ordered toward the good of procreation.

The conjugal view says sex belongs in marriage. The marriage certificate states that the two become one, which is solidified in the conjugal union of husband and wife.

The conjugal view says marriage is an exclusive union in which men and women comprehensively unite. You can't comprehensively unite with someone if you have someone else on the side. Dan Savage, a sex advice columnist stated in a New York Times interview that he had double digit others on the side besides his partner. When pressed and in the presence of his partner, he said it was only 9 others with whom he had had sexual relations on the side.

Membership Director

Greeting fellow Knights,

As previously mentioned, we scheduled a **Family Fish Fry** in the parish hall on **June 4th, 2016**. The actual dinner shall be preceded by a **Corporate Communion at the 5:00 p.m. Mass**.

Not all will be attending Mass prior to the Fish Fry. In fact, while Mass is taking place, we will need **volunteers to help set up** the tables and help with the food preparation. Please indicate if you can volunteer to set up and prepare.

This is a family event. We highly encourage all to bring their family members. This will also be our first social event with the Knights that recently joined. This is great opportunity to welcome them into our family.

Finally, aside from Mass and feasting, nothing else is currently planned. Any suggestions for activities are welcome, such as a raffle. Please share any suggestions that you might have to make the evening for entertaining.

Thanks.

PRO-LIFE Notes •••••

Dear Brother Knights,

I would like you to take a minute to study the picture attached to this article. I think we could agree it shows a trash can filled with babies who have been aborted. I am going to ask you to believe what your eyes show you. What you may not know is this picture was taken over forty years ago. These babies had their lives taken from them by the hands of an abortionist for money. They did not die of natural causes.

For over forty years you have been asked to believe it is OK to take the lives of these babies. You have been asked to believe these are not babies.

What are your eyes showing you? Do you believe your own eyes?

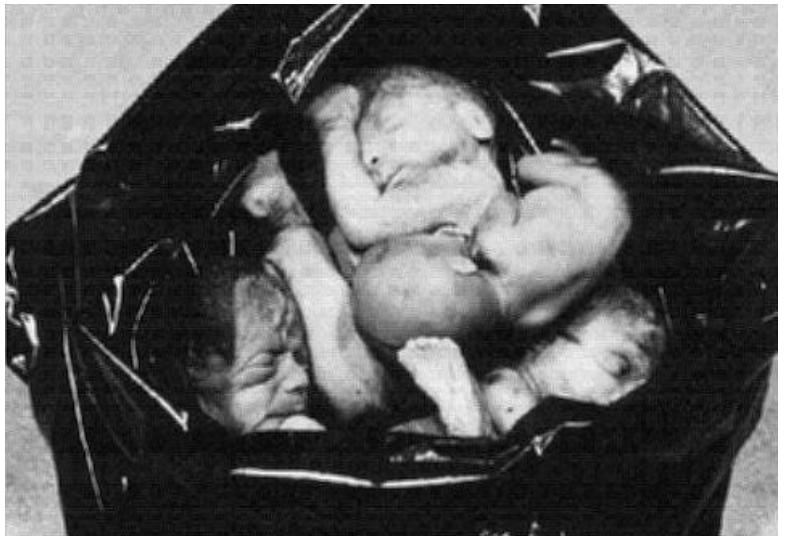

You have been told it's none of your business if your son, daughter, wife or any family wants to get an abortion. It's between her and her doctor. It would be better not to tell the father, your mother or father or any family member. **Why?**

Common sense tells us these babies have committed no crime and are innocent of any wrong doing. You are not to think of them as babies. Common sense also tells us when an innocent life is being taken you not only have a right but a moral duty to oppose this practice of taking lives.

The picture here was taken over forty years ago. I have never been able to understand why anyone would support or cast a vote that enable's abortion to continue.

Sincerely Yours

Thomas Nagle PGK

"Your Shield For Life"

Ask Eligible Men to Join

Today, I want to address the growth of the Order. Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works at the council, state, national and international level are thanks to our hard-working members. And more members equals more charity.

We know that the membership blitz is a tried and true way for councils to get more men to join. We see these pushes often in March, in celebration of Founder's Day, and again in October. These drives are successful because brother Knights have increased visibility speaking or presenting during and after Masses and at special events. We must remember that we have a duty to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often "forget" to ask men to join and to bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. What if the only reason he hasn't joined is because no one has asked him yet?

When telling a prospect about the strengths of the Order, don't forget our greatest fraternal benefit: our insurance program. This is often a "selling point" to a potential member who is on the fence. Many members become Knights simply to be able to buy coverage to protect their family. Soon after, they realize the good our charitable works do for their community, and they are proud to be members.

As your professional Knights of Columbus insurance agent, I look forward to helping you grow in fraternity in any way that I can.
